

Rosanthorn Trio

Biography Rosanthorn Trio is a captivating all-female South African music group renowned for their hauntingly beautiful music and electrifying stage presence. They have taken the music scene by storm, becoming a sought-after act for corporate events, concerts, and festivals.

International Acclaim

Rosanthorn's talent transcends borders. They headlined Symphony in the Park in Abu Dhabi (2019), sharing the stage with the prestigious Arabian Symphony Orchestra. Their performances include appearances for the Abu Dhabi government at the Emirates Palace and Yas Island's 6G Summit (2022).

Local Favourites

The Rosanthorn Trio is a familiar and beloved name in South Africa. They've performed twice at the Oude Libertas Concert Series and headlined major events like the Plett Music Festival and Greyton Classics for All. Their impressive client list includes YPO (2,000 guests), Toyota, ICC, Distell, and the opening of Zeitz MOCAA.

Beyond the Stage

Rosanthorn's captivating music extends beyond live performances. They've graced television screens on shows like Espresso Show and Hectic Nine 9, and their music has been featured in South Africa's top print media and radio stations (Cape Talk, KFM, FMR).

Experience Rosanthorn

Their self-titled debut album, "Rosanthorn," is available on all streaming platforms, allowing you to experience their magic anytime.
